Says

What have we heard them say?
What can we imagine them saying?

I heard him say
that he has been
the past but, starting
that past time
he can do big things.

If you can dream
it, you can do it.
Believe in
yourself and
nothing is
impossible.

You need
motivation in
order to succeed
and it's easier than
you think.

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

Become an
inspiration
to others.

Become a
thought
leader in your
industry.

If I like being
outside new
water and
enjoy
swimming.

Does

What behavior have we observed?
What can we imagine them doing?

Looking at
past performance &
expecting the
same results.

The systems
within our
organization
are not
flexible.

Meeting up
with clients
and being
open with
them.

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?

Pain is not
something someone
else helps them
overcome, but
something they
have to deal with.

Anxiety is a
reaction to
fear or
an emotion.

Group Ideas

Take a look at all the ideas you've collected and start grouping them. If there's a lot of ideas, group them into categories and then break them down into smaller subgroups.

10 minutes

Prioritize

Now prioritize all the on the same page about what's important and what's not. You can also use this to determine which ideas are most important and which ones are least important.

10 minutes

After your coffeebreak

Once you've got the ideas on the page, it's time to move on to the next step: prioritizing.
